Overview of the April 2015 3W for SOUTH EAST of Myanmar

Bago (East), Kayah, Kayin, Mon, Shan (East), Shan (South) and Tanintharyi

The MIMU 3W gathers inputs from participating agencies on ***Who is doing What, Where***, across Myanmar. It is currently conducted every 6 months.

205 agencies participated in the April 2015 3W, providing information on their activities in 19 sectors and 145 sub-sectors which have been defined by technical/sector working groups. There is still likely to be under-reporting of the specific activities of field-based local NGOs and CBOs.

This overview covers activities reported to the MIMU 3W in Bago (East), Kayah, Kayin, Mon, Shan (East), Shan (South) and Tanintharyi as of March 25th, 2015.

The tables and charts refer to projects under implementation as of March 25, 2015. For information on planned and recently completed projects is included in the 3W dataset which is available on the MIMU website, as well as in the MIMU 3W Dashboard which shows agencies' activities to Township level.
