Sr.	Topic	Time	Who
Agenda	<ol style="list-style-type: none">1. Intro (5min)2. Quarter 3 2018 Results – review/endorse (35min)3. HRP 2019 summary presented (10min)4. Camp closure implications and WASH cluster position (45min)5. Modality of service delivery – challenges with contractors in Rakhine (25min)6. AOB		
1	Intro	3:00	All Participants
2	Quarter 3 2018 Results – review/endorse (35min) Action Point: OXFAM will check for HK distribution in Kyaukpyu camp SI will check Hygiene promoter in Sittwe	3:05	
3	HRP 2019 summary presented (10min)		
4	Camp closure implications and WASH cluster position (45min)		

<p>RI: Myebon camp closure process is started. Issue of camp closure is WASH.</p> <p>Sunny: Did Gov come to RI for this camp closure? RI: we haven't seen any evidence. It is going to flood every year.</p> <p>WASH cluster: How do we support Gov accountabilities?</p> <p>OXFAM: Big concerns: no coordination and information sharing among governments and service providers</p> <p>Action point: To continue advocacy with government Offer to support technical</p> <p>SI: Camp like setting: even though we say camp like setting; WASH services are the same with the camps. OXFAM: our roles is as service provider.</p> <ul style="list-style-type: none"> • UNHCR (protection sector): <ul style="list-style-type: none"> ○ workshop last week. ○ We are trying everybody on the same page. <p>SCI: is there any What WASH not to do and what WASH to do in the protection sector: Protection sector: We are working position paper.</p> <p>Sunny: Within communities have different interests In Myebon, RI is only one actor for WASH.</p> <p>Sunny: How could WASH cluster support to RI as a group? RI: funding, potential things cannot think right now.</p> <p>Action point: Township level advocacy for WASH specific issues by WASH Cluster is needed. Action point: to update these paper (WASH Cluster position paper) as live document: (google doc:) at the end of November. Feedback Dec 10..</p> <p>Protection sector: We push back government accountabilities for IDP camps. (eg; OTG fire case, shelter cluster pushed the government to rebuild new shelters.). 60 % gov involvement in 2013.</p> <p>Action point: WASH cluster try to push back government accountabilities for IDP camps</p>		
--	--	--

5	<p>Modality of service delivery – challenges with contractors in Rakhine (25min)</p> <ul style="list-style-type: none"> • Rakhine WC will discuss next week to write a position paper • NWC analysis provided • Piere from OXFAM, will lead Rakhine WC meeting as RWCC will be on leave. Sunny will help. • HARP partners now np longer use contractors. • Use contractor VS self build; found that total damage % is higher in using contractor. (HARP partner assessment and cyclone MORA assessment) <p>Are all contractors are using GOM SOP? SCI: we are still using contractors for TLS. Education Sector: I should raise this issue.</p> <p>Life spam of the infrastructure??</p> <p>Cost effectiveness: to think about WASH related livelihood activities.</p> <p>Action Point:National level partners to communicate with the state level .</p>		
6	AOB (10min)
