

# Scholarships for Street Kids- Myanmar

Aye Aye Thinn  
Project Manager

# Objectives

- 1) To share the information of NFE Programme of S4SK-M
- 2) Challenges and needs
- 3) Comments

# Vision of S4SK-M

- The life-prospects of very disadvantaged children must be improved by providing the successive intervention of appropriate education

# Objective

- To provide the quality primary education

including life-skills and handicraft skills to

scavengers and very poor children (8-15 Yr)

- To provide very needy children who cannot continue their education after completing of basic education, with a variety of scholarships for courses in higher education and vocational education suited to the situation of recipients

- To engage in research to chart out possible career paths for severely disadvantaged children

# BL & IGP - Target Group - 8 – 15 Yr OoSWC

Bridging System

**FE**

# Lack of data

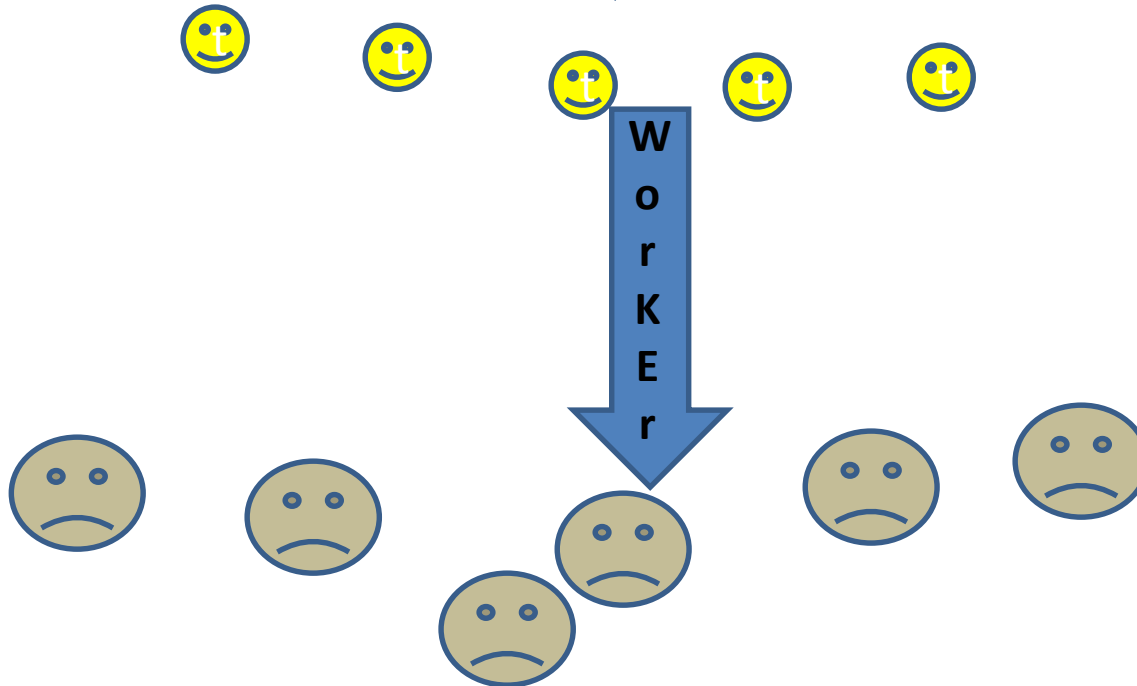

# Equivalency Program and Bridging System to FE

NFPE Programme (MoE + UNDP + UNICEF)

= Equivalency Program

- Difficulty for attending FE
- Migrant children (300,000 in Thailand)
- 1/3 of them --- Myanmar mobile schools + refugee camps

Very poor parents and guardians

# Suggestion & Comments

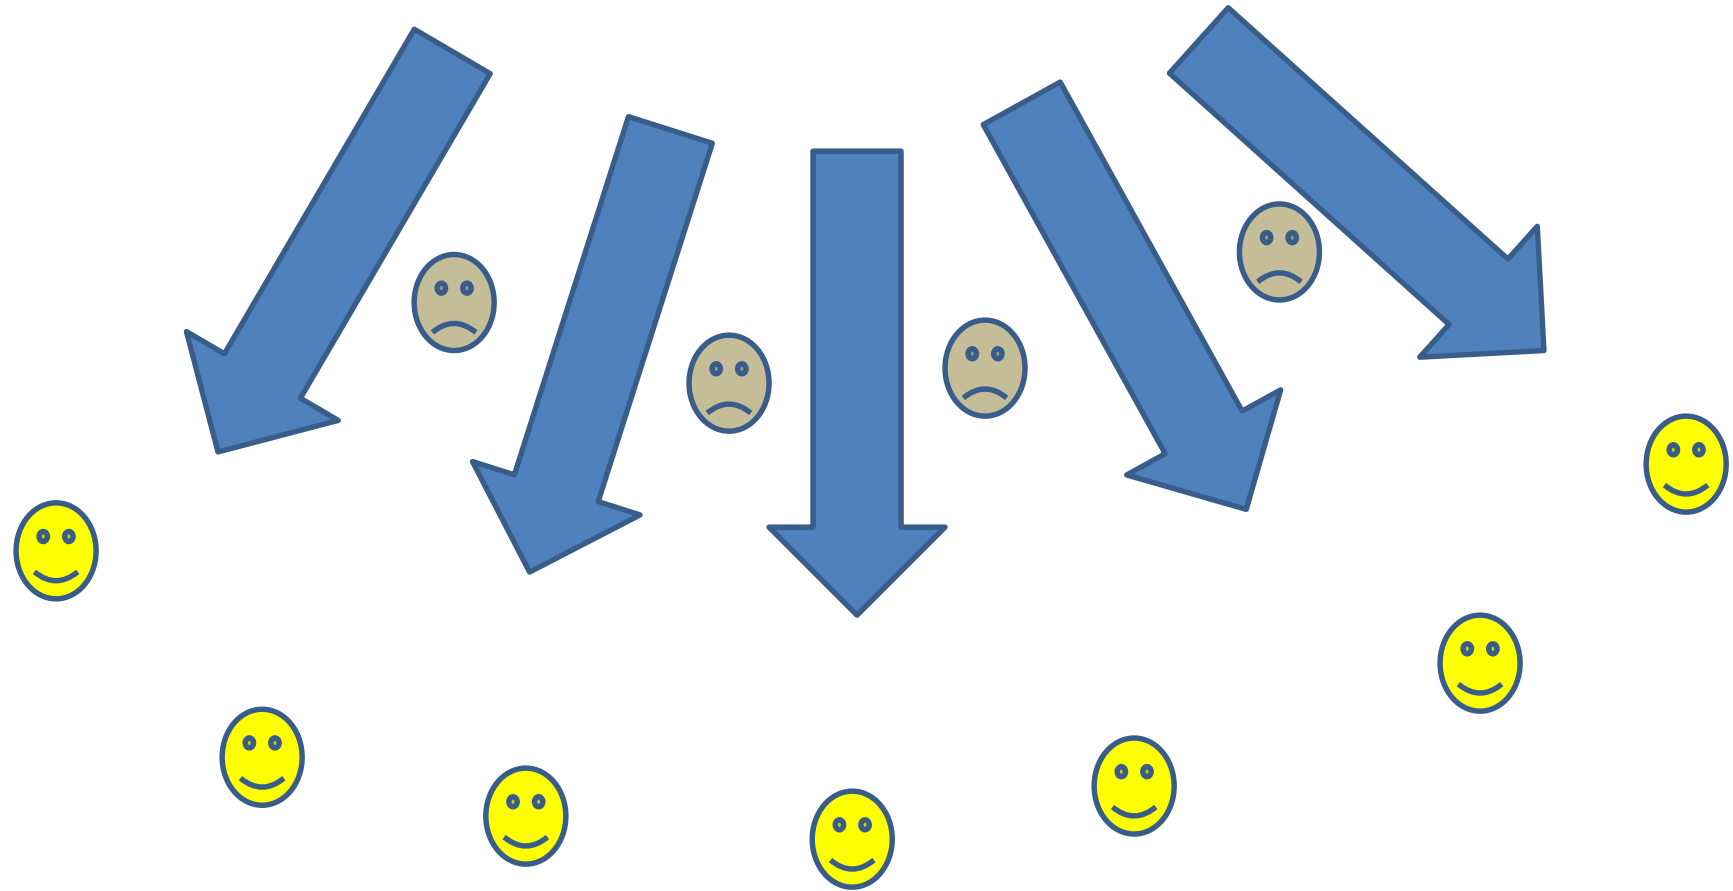

- To implement the organization law at township level as soon as possible
- To find out the no. of OoSC
- To allow NFPE program to other NGOs without the whole package

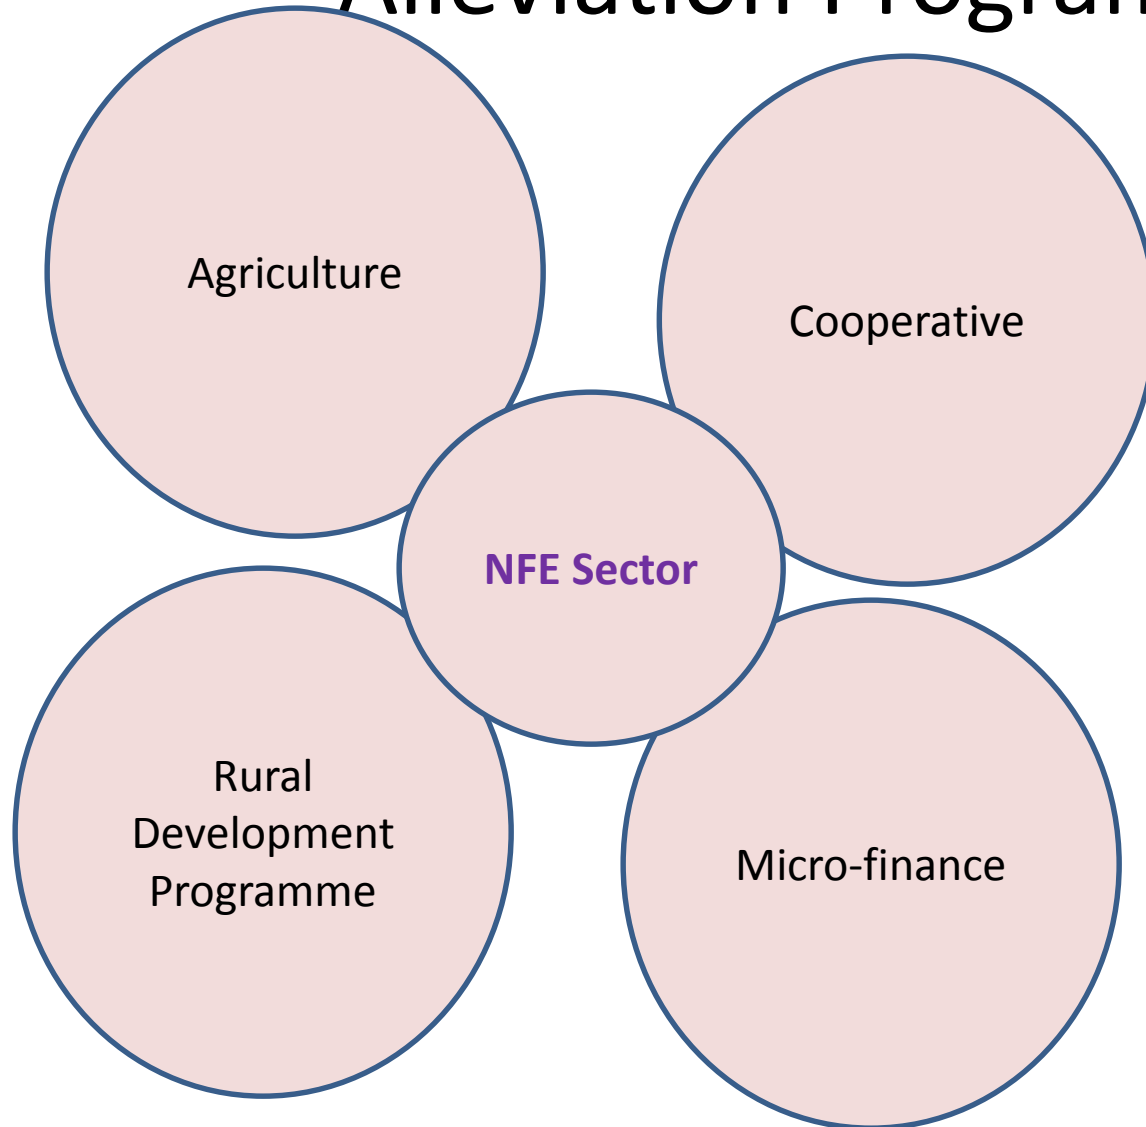

REGISTRATION

# Poverty & Child labor

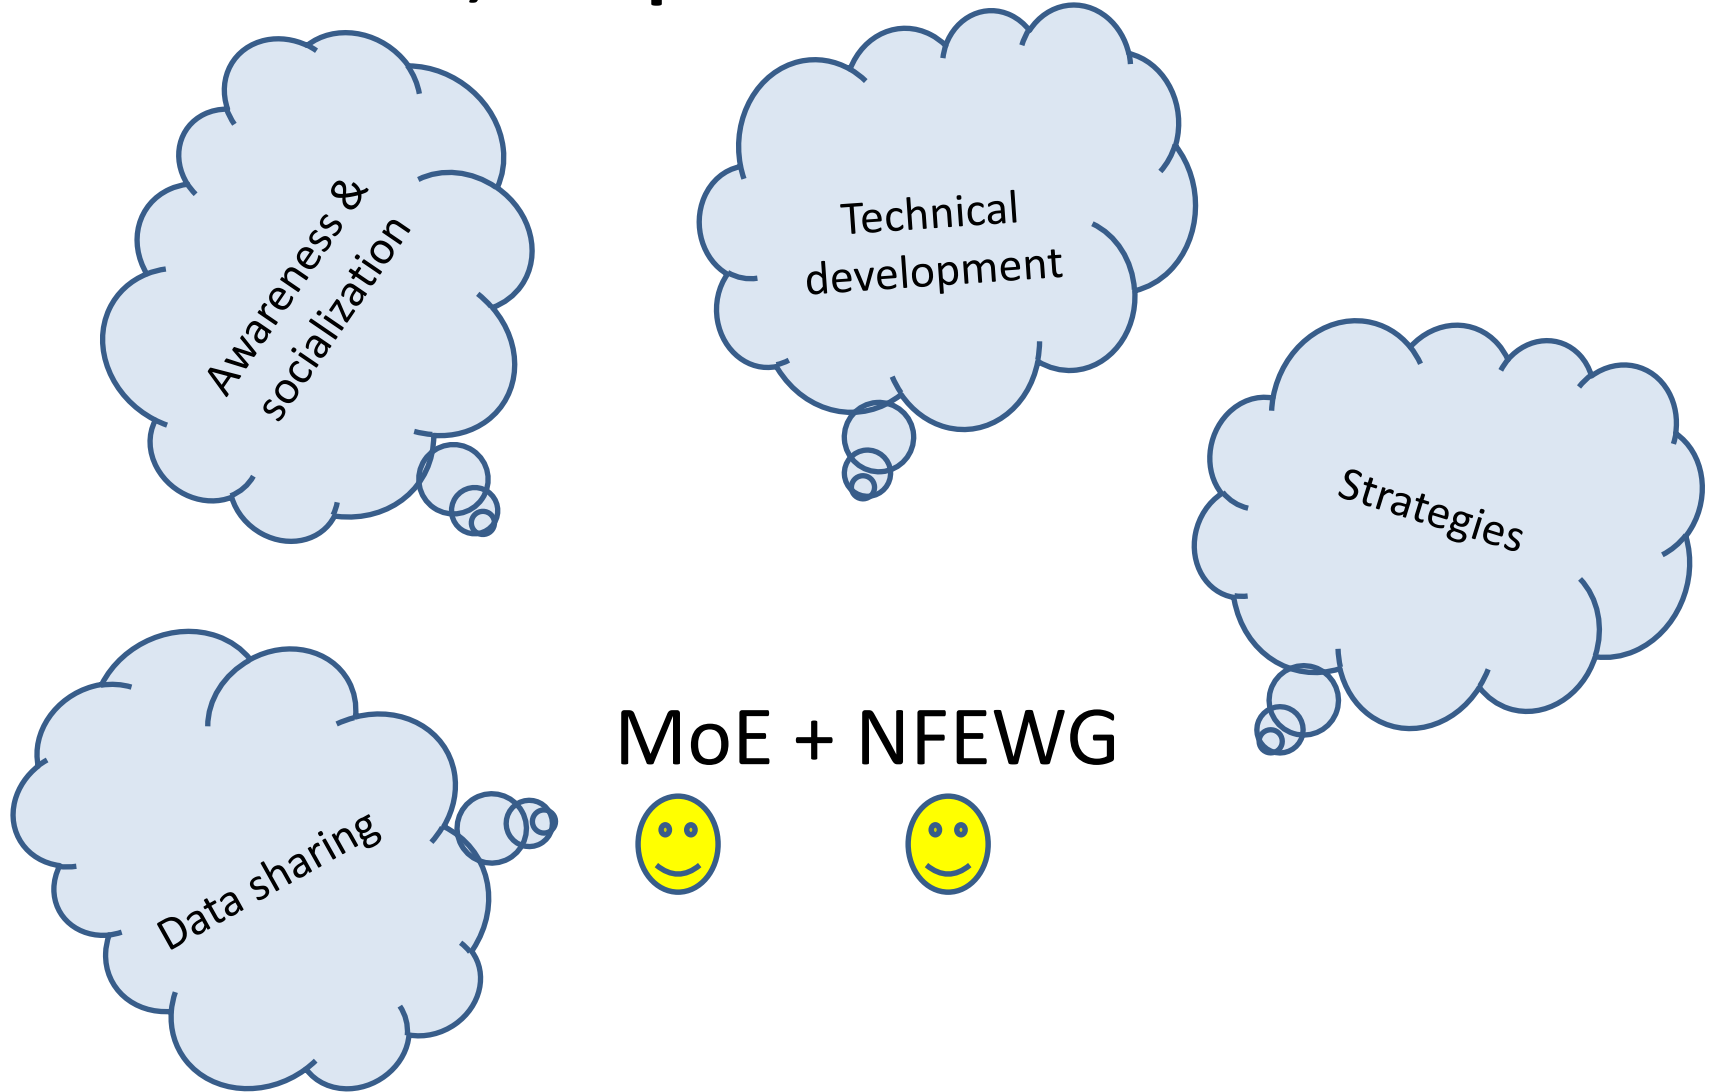

Poverty Alleviation Programs + CP law

# To Link NFE sector with Poverty Alleviation Programs

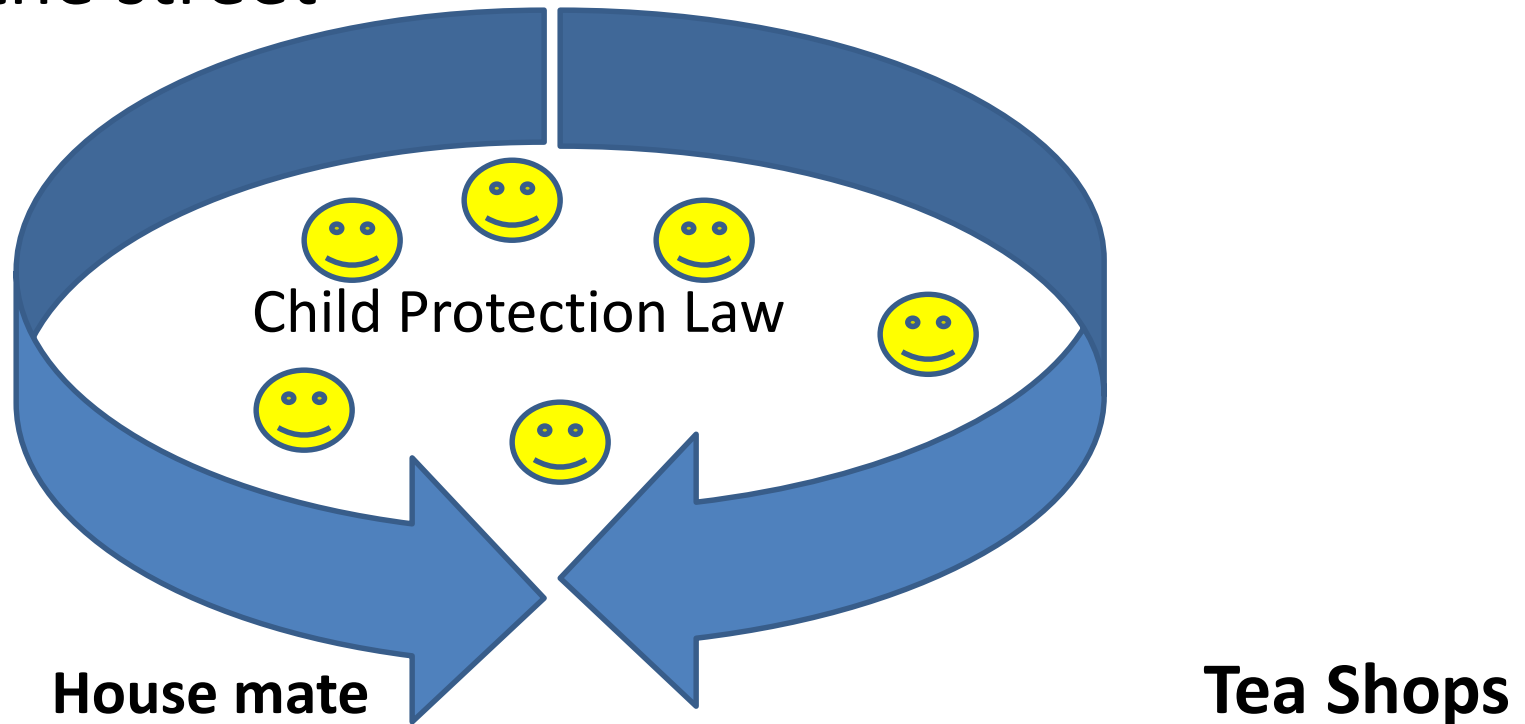

# Collaboration, Cooperation & Coordination

# To implement the child protection law

On the street

THANK YOU
