

MYANMAR EMERGENCY OVERVIEW MAP

Number of people displaced in South East since Feb 2021 and remain displaced

AS OF 11 OCT 2021

155,000

people are estimated to be displaced by conflict in South East Myanmar (as of 11 Oct 2021).

Over the past week, an increase in the number of IDPs was observed in Thayetchaung Township, Tanintharyi Region following increased presence of the Tatmadaw and ensuing clashes. Small scale returns were also recorded in Yebyu Township, Tanintharyi Region, following stabilization of the area.
