

HIGHLIGHTS OF THE MONTH

- 1 day workshop for the Wash Cluster Mid-Term review conducted in Sittwe: Will inform HRP mid-term review.
- PawkTaw Sanitation situation worrying, due to the impact of upgrading long shelter to Individual temporary : An emergency action plan should be consolidated and launch
- Flooding affected the whole state, particularly Maungdaw District: No emergency Wash action taken, while the authorities (RRD) are first responder
- Return/re-location closely follow up, with Wash positioning paper as a guideline

Site coverage by a dedicated Wash Partner

Repartition beneficiary typology

APPROXIMATE FUND ENGAGED PER YEAR(US\$)

Limitations of the analysis:

- ✓ Lack of data on sanitation for villages where activities recently started
- ✓ Access to water does not report closely enough about safe drinking water

Needs coverage per site type

Water Facility type coverage

Latrine coverage in camps

HH receiving monthly hygiene promotion

Social management of water
