### **Première Urgence Internationale (PUI)**

Première Urgence Internationale is a non-governmental, non-profit, non-political and non-religious international aid organization. Our teams are committed to supporting civilian victims of marginalization and exclusion, those hit by natural disasters, wars, and economic collapses, by responding to their fundamental needs. Our aim is to provide relief to uprooted people in order to help them recover their dignity and regain self-sufficiency. Main sectors providing assistance to around 4 million people in 22 countries in Africa, Asia, Middle East, South Caucasus and France: Health, WASH, Food Security and Nutrition, Shelter and Economic Recovery.

PUI has been working for the people of Myanmar on health and related issues since 1983, as **Aid Medical Internationale (AMI)**. The merger of PU and AMI in 2011 strengthened our ability to provide integrated, multi-sector approaches utilizing the combined organisations' experience resulting in more diverse programming and intervention possibilities. PUI's mandate to respond to emergencies remains a priority, while maintaining a longer-term development focus to adapt to the contextual needs of the population in Myanmar. Our projects have spanned several areas of the country including Shan, Kayin as well as south Yangon areas.
