CLUSTER OBJECTIVES
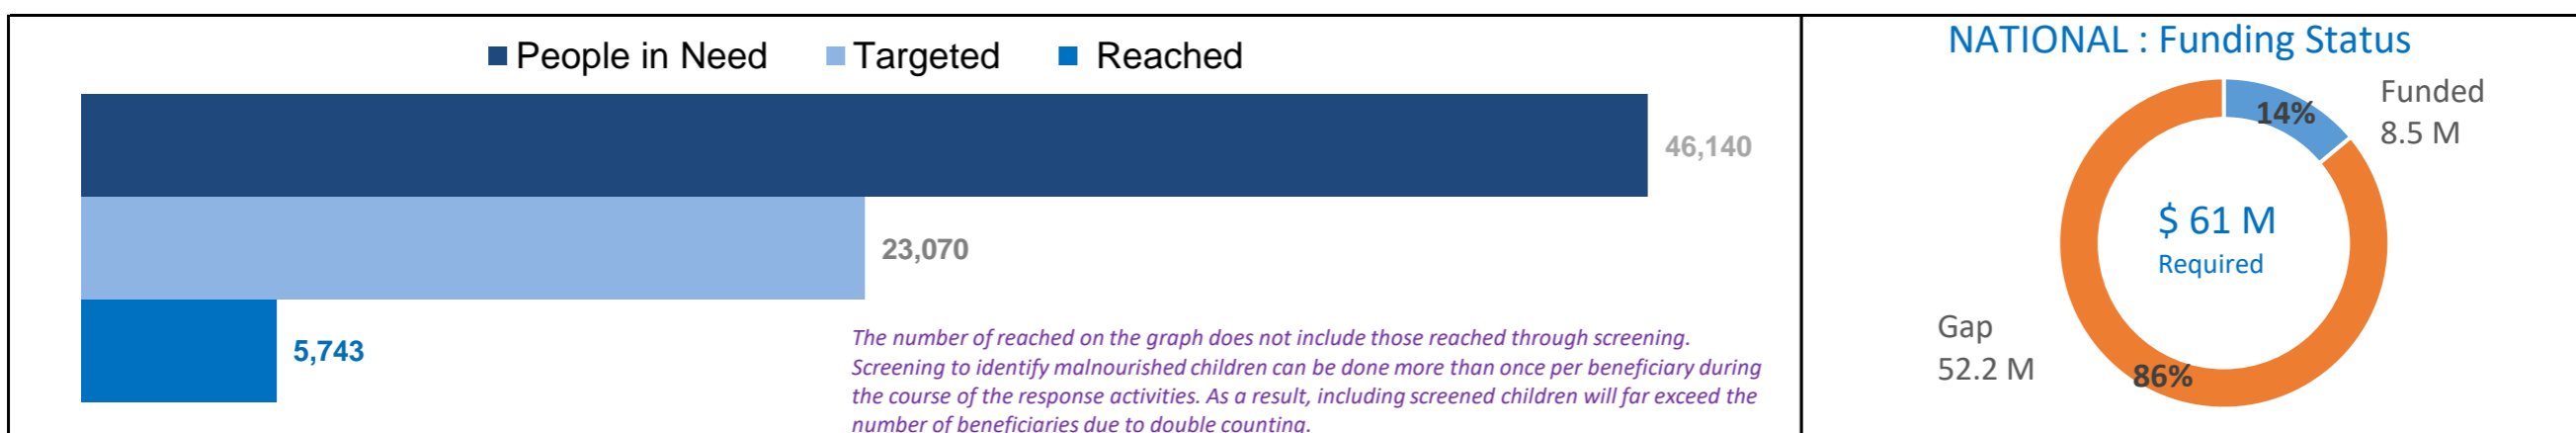

As per the HRP

1 Specific Objective 1: Children and women with acute malnutrition access appropriate management services.

2 Specific objective 2: Nutritionally vulnerable children and women access preventivenutrition-specific services.

● People in Need ● Targeted ● Reached

46,140

23,070

5,743

The number of reached on the graph does not include those reached through screening. Screening to identify malnourished children can be done more than once per beneficiary during the course of the response activities. As a result, including screened children will far exceed the number of beneficiaries due to double counting.
