

## Call for Expression of Interest (EoI) and Quotation

Rainmaker established since 2010 which promotes citizen participation in Myanmar Democratic transition by providing awareness raising training on democratic values and women rights in partnership with other civil society organizations. Rainmaker is a non- government organization to deliver strengthening of public policy, federal development, electoral process and research and has been based on UDHR equal rights, gender inclusion and independent living of ethnic people in Myanmar.

Rain Maker seeks to strengthen the sustainable delivery of Humanitarian Aid services by collaborating with relevant local community-based organizations and through diverse partnerships and networks. To achieve this, we are building a database of suitably qualified, competent, and experienced service providers (individuals and companies) to provide services in relevant areas as the four cluster(WASH/FOOD SECURITY/NUTRITION/NFI & SHELTER and PROTECTION)

This Project intends to distribute 388 HHS (IDPs and IDPs in host communities) in the conflict areas in Mon State. That will ensure humanitarian aid and also the safety and security of women and children gender-based violence during the conflict crisis.
