The Cash Working Group (CWG) was created in 2013 as a “platform for coordination and learning on cash transfer programming in Myanmar”. This snapshot provides an overview of ongoing and planned cash programming in humanitarian settings across Myanmar. It reflects data received from 11 organizations. Other cash-based transfer programming, including micro-credit, is not included. In parallel, policy-level discussions on cash transfers are ongoing in areas such as social protection.

**OVERVIEW**

- **US$ 10.5m**
  - Total value of cash programming ongoing/planned as of March 2016

- **US$ 26**
  - Est. Average distribution per household per month (US$)

- **55**
  - Townships covered

- **28**
  - Organizations

**PEOPLE ASSISTED**

- **TOTAL HOUSEHOLDS***: 95,520
  - Non-displaced: 68,020
  - IDPs: 14,000
  - Mixed: 9,500

- **INDIVIDUALS***: 462,500
  - Male**: 52%
  - Female**: 48%

* For some projects, numbers are estimated based on standard household size
** Disaggregated information only available for 50% of population assisted
