MIMU 5W

WHO is doing WHAT, WHERE, WHEN and for WHOM

Sep 2022

No. of Organizations reporting 5W Updates

16 more agencies reported in Aug 2022 compared to Mar 2022 (8% increasing), mainly INGOs (11 more organisations) and NNGOs (5 more organisations).

1) Agency names no longer appear in Public products

- But may be shared in 5W data for restricted use by contributing agencies, for inter-agency coordination.

2) Agencies decide level of data protection when submitting their 5W inputs

- *Open* agency names can be shared for restricted purposes (contributing ags, inter-agency coordination)
- Restricted agency name is marked UNSPECIFIED, including in restricted products
