PRESENTATION FORMAT
DRR WG MEMBERS’ PLANS FOR 2014-2015
UNDP
DRR PLANS FOR 2014-2015
Organization’s DRR objectives and/or priority areas for 2014-2015

- Enhanced capacity of DM institutions and key stakeholders to strengthen disaster risk reduction related policies, strategies, systems and networks
- Enhanced capacity of sector departments and development partners for mainstreaming DRR into development planning
- Capacity enhanced for generation of user-relevant end-to-end early warning and effective early warning dissemination
- Disaster Management Committees at township, village tract and village levels able to develop, implement, mainstream, monitor and evaluate their Disaster Management Plans
GENERAL INFORMATION ON THE ORGANIZATION’S DRR PRIORITIES

- Organization’s secured budget for DRR for 2014-2015 and funding sources
  - US$ 320,000 for Building disaster resilient communities through strengthening disaster risk management institutions, systems, networks and mainstreaming DRR into development planning (funded by UNDP and BCPR-UNDP)
## Detailed Activities

DETAILED ACTIVITIES

Addressing Climate Change Risks On Water Resources And Food Security in the Dry Zone

- Climate-resilient food and livestock production systems
  - Drought-resilient farming methods introduced to farmers to enhance the resilience of subsistent agriculture in the Dry Zone
  - Resilient post-harvest processing and storage systems introduced to reduce climate-induced post-harvest losses (drought and floods)
  - Diversified livestock production systems introduced to buffer the effects of drought on rural livelihoods
- Improved climate risk information dissemination
  - Climate hazard maps and risk scenarios are developed in each township to support community-based climate risk management and preparedness planning
  - Local level information dissemination framework strengthened for climate and disaster risk management

Target areas

Shwebo, Monywa, Myingyan, Nyaung Oo, Chauk
ACTIVITIES ALIGNED WITH DRRWG STRATEGIC FRAMEWORK

- **Outcome 1**: A policy and legal framework on DRR that is inclusive, responsive to the needs of hazard-prone communities and takes into account climate change is in place.

- **Outcome 2**: Government partners at different levels have increased capacity to implement the DRR framework and mainstream DRR into development processes.

- **Outcome 5**: Effective partnerships for DRR are established with the private sector, professional bodies and other relevant stakeholders.

- **Outcome 6**: The DRR WG is effective and accountable and provides the Government with tools, experiences and capacities to coordinate the broader DRR Sector.
Without collaboration with “DRR WG”, UNDP can’t go alone to achieve its outcome.

- Collective advocacy
- Ensure consultative/process-oriented intervention
- Strategize the DRR intervention in the country in collaborative way.
GENERAL INFORMATION ON THE ORGANIZATION’S DRR PRIORITIES

- Organization’s DRR objectives and/or priority areas for 2014-2015

1. Strengthening **Myanmar Government DRR/DRM/CCA systems**, structures and institutions at different levels
2. Strengthening **capacity and promoting local organizations’ participation** into DRR/DRM/CCA framework
3. **Building community resilience** through CBDRR/CBDRM approaches
4. Strengthening **organizational capacity** of DRM/DRR/CCA
CARE’s Approach is “Multi-levels Engagement”

- DRM/CCA
  - National
  - State & Regional
  - District/Township
  - Community
  - Inclusive of different actors
GENERAL INFORMATION ON THE ORGANIZATION’S DRR PRIORITIES

- Organization’s secured budget for DRR for 2014-2015 and funding sources
  - US$ 150,000 for CBDRR program (SPARC & HPA)
  - US$ 20,000 for organizational capacity building
  - US$ 300,000 (planned to propose) for DRR/DRM/CCA system, structure and institutions in Myanmar
  - Plan to apply recent OFDA call

DETAILED ACTIVITIES

- **Preventive Measures**
  - Legal & Institutional arrangement of DRM
  - Multi hazard risks & vulnerability assessment
  - Promotion of hazard proof technologies
  - Land use planning
  - Disaster management information management systems
  - Awareness raising on DRR
  - Scaling up of community based DRR/DRM

- **Mitigation Measures**
  - Multi hazard assessment & DRR Planning at all levels
  - Monitoring community based DRM
  - Establish multi hazard early warning systems

- The supports from DRRWG could be identified during the retreat.
KARUNA MYANMAR SOCIAL SERVICES - KMSS
DRR PLANS FOR 2014-2015
CBDRR objective

To enhance resilience of 57 selected rural communities in 9 townships through CBDRR.

Priority areas for 2014-2015

1) Capacity building and implementation
2) Coordination and networking:
3) Mainstreaming into livelihood, water and education sector
Organization’s secured budget

Total Budget (July 2013-June 2016) = USD 554,757
Secured Budget – USD 333,500
Funding Gap – USD 221,257

Funding Agencies

1) Catholic Agencies for Oversea Development (CAFOD)
2) Caritas Switzerland
3) Caritas Austria
**DETAILED ACTIVITIES**

- **Capacity building and implementation**
  - Further strengthen existing VDMCs of CBDRR I and to expand the DRR activities in new communities
  - Establish new VDMCs and TFGs
  - Collaboration with local government

- **Coordination and networking:**
  - Conduct risk assessment and develop the community action plan (CAP) based on format to in line with TDMP
  - Organize exposure visits, workshops at township level
  - Study the local government water management plans
  - Join the national and regional WASH cluster meeting, forum, workshops
Mainstreaming DRR into:

**Water Resource Management Sector**
- Community level rehabilitation of existing water related infrastructure
- Construction of new infrastructure

**Livelihood Sector**
- Select and prioritize the existing micro-projects which have natural resource management (NRM) and soil preservation focus.
- Collect base line information on livelihood situation
- Technical supports for committees in terms NRM and soil conservation for the micro projects

**Education Sector**
- Program analysis of KMSS education sector for the possibility of DRR mainstreaming
- Provide DRR training to KMSS education sector staff
- Review the diocesan education staff job descriptions to ensure that dissemination of DRR messages are in their job descriptions
- Develop the assessment tools for the identification of vulnerabilities and capacities to natural disasters of school buildings and school children
**Implementing Partners**

- KMSS-Yangon
- KMSS-Pathein
- KMSS-Mandalay
- KMSS-Taungoo
- KMSS-Lashio
- KMSS-Kalay
- KMSS-Kengtung
- KMSS-Pyay
- KMSS-Myitkyina
Target Areas and Beneficiaries

- 57 communities of 9 Townships
- Small farmers and fisher folks, school children, water stressed households
- WRM, Education, Livelihood and DRR staff
- Local government
Activities aligned with DRRWG Strategic Framework

- Mainstreaming DRR into development plans
- Coordination with local governments
- Improve information-sharing mechanisms
- Organize sharing and learning forums with partners
Expected Supports from DRRWG

- Linkage with local Government and Line Departments
- Bridge with potential funding sources
- Technical supports for mainstreaming DRR into development sectors
- Capacity building activities
- Cooperating partner with Consortium
OBJECTIVES OF OCHA’S PREPAREDNESS ACTIVITIES

- Support HCT better prepared to coordinate and respond to future emergencies
- Government better prepared for reducing vulnerability to natural disasters

Priority Area

Preparedness and Response Coordination
Details Activities

- Revision of the Inter-Agency Contingency Plan (IACP)
- Supporting the revision of Myanmar NGOs Contingency Plan
- Common Needs Assessment Tool (Govt, MNGO, HCT)
- Linking plans of Govt, MNGO and HCT
- Rapid Response Team
- Simulation Exercise (Govt, MNGO, HCT)
- Assist to the Department of Relief and Resettlement on disaster preparedness
- Provide technical support on disaster risk management activities (e.g. HFA)
- Support to the regional government on disaster preparedness measures against potential future natural disaster in the most disaster prone states/regions (First priority – Rakhine)
- Support/provide training mostly on international humanitarian architecture
The main partners for OCHA on Disaster Preparedness are preparedness concerned government departments, especially Relief and Resettlement and humanitarian country team (HCT) members’ organizations and local NGOs, work together as the cooperative partners.

Targeted area: country level preparedness to reduce the impact of disaster and Rakhine State which is one of the most disaster prone states in Myanmar.

Aligned with Preparedness in the DRRWG strategic framework.

Expected Support from DRRWG: Mutual support.
OXFAM
DRR PLANS FOR 2014-2015
Organization’s DRR objectives and/or priority areas for 2014-2015

1) Ensuring maximum inclusivity in the Disaster Management framework at all levels

2) Enhancing women’s leadership and ensuring women and men’s participation in DRR at community level

3) Capacity building in gender equality in the DRR process at township and national level

4) Supporting the DRR Working Group’s Strategic Plan with a specific focus on inclusion and the drafting of the rules and regulations for the DM Law

5) Improving linkages between DRR and resilience in our programmes
Organization’s secured budget for DRR for 2014-2015 and funding sources

- BRACED: DFID Development Grant GBP 58,900; expected funding of GBP 6.89m from September 2014 for 3 years
- Tatlan: USD186,330 for 10 communities this year under LIFT funding
- DIPECHO: as part of the Action Aid led consortium – Not yet secured (Oxfam as technical partner on Gender inclusivity)
For each DRR objective/priority area of work of your organization for 2014-2015, provide the following details:

- What are the activities and the schedule for implementation?
  - DIPECHO: Technical partner on gender: capacity building, input into tools and resources, technical support to partners
  - BRACED: Vulnerability risk assessment in 8 communities, Rapid Care Analysis, DRR desk study of best practices, successes and failures from other DRR programmes, and gaps in DRR practice at community and township level that need to be addressed from a resilience perspective, Gendered Adaptive Market Mapping
  - Tatlan: Building embankments, DRR capacity building of local government (2015)
  - Engagement with DRR Working Group including IDRR Day
Who are your partners and what is their role?

Partners are:

- DIPECHO consortium: MCCR
- BRACED consortium: NAG, ECODEV, Spectrum, Paung Ku; Technical partners Greenpeace (climate change advocacy) and Save the Children (nutrition and social protection)
- Tatlan (IRC, Save the Children and Better Life Organisation)
- RRD throughout and DRR Working Group partners
What are the target areas and beneficiaries?
- DIPECHO: Delta, Rakhine, Tanintharyi and urban (Bago/Sittwe)
- BRACED: Delta, Dry Zone, Rakhine
- Tatlan: Myaebon, Pauktaw, Kyaukphyu, Minbya

Which of the activities are aligned with the DRR WG Strategic Framework?
- All of them, Resilience work extends towards our development work also
What type of support are you expecting from the DRR WG and for which activities?

- Engagement around inclusivity on the Rules and Regulations, roll out of the Law etc.
- High level representation on shared advocacy priorities.
- Sharing of lessons learned across programmes.
- Enhance linkages between DRR WG and other related coordination fora, e.g. Early Recovery Sector Working Group & HCT/HACG.
- Coordination around capacity building initiatives.
Organization’s DRR objectives and/or priority areas for 2014-2015

1) Community Based Disaster Risk Management
2) Capacity building of local authorities (TDPC) and linkages with VDPCs
3) Ecosystem-based DRR (mangrove rehabilitation)
4) Further plans (not funded yet): institutionalization/harmonization of CBDRM, mapping/IM, going beyond coastal ecosystems (hilly ecosystems), conflict prevention/mitigation.

Organization’s secured budget for DRR for 2014-2015: 430,000 USD (USAID/OFDA)
1. COMMUNITY BASED DISASTER RISK MANAGEMENT

- **Location:** 30 villages and 3 urban wards in Gwa Township (South Rakhine)
- **Beneficiaries:** 22,000 individuals
- **Duration:** Until September 30th 2014 – Plans to expand to other villages of Gwa after that date
- **Partners:** ACTED and Swanyee
1. Forming Disaster Preparedness Committees in a democratic and inclusive manner

2. Analyzing their needs in terms of capacity building (GOCA)

3. Providing intensive tailor-made capacity building to allow them to serve communities on the long term

4. Supporting participatory risk assessments conducted by communities

5. Development of Village Disaster Contingency and Mitigation Plans

6. Action to make communities safer including micro projects, drills, training villagers
2. CAPACITY BUILDING OF LOCAL AUTHORITIES AND LINKING WITH VDPCs

- Location: Gwa Township (South Rakhine)
- Partners: ACTED and Swanyee
- Beneficiaries: Village authorities and Township Disaster Preparedness Committee
OPERATIONALIZATION OF NATIONAL DRR PLANS THROUGH SUPPORT TO LOCAL AUTHORITIES

1. Participatory analysis of the needs of the Township Disaster Preparedness Committee

2. Development of a customized training package

3. Capacity building as well as hands on support for the set up of effective DRR mechanisms in coherence with national frameworks (MAPDRR, SO, new DML)

4. Dialogue and technical exchanges between community committees and Township authorities to mainstream plans from both levels

5. Provision of assets / support to operationalisation of township plans
3. ECO SYSTEM BASED DRR

- Gwa Township
- and National level (conference)
- ACTED, Swanyee and ADPC
- Collaboration with DRRWG if interested
ECO SYSTEM BASED DRR

1. Assessment of the degradation of eco-system, identification of key dynamics and practical recommendations
2. Awareness raising and advocacy with local authorities and key stakeholders
3. Identification of measures by VDPCs in order to protect and restore mangrove
4. Call for proposals (Micro grant scheme)
5. Support to implementation and documentation of best practices
6. National conference and support to mainstreaming into national DRR practices
ACTED’S ADDED VALUE

1. Capitalizing on our Community Driven Development experience for DRR ToT, GOCA assessment, Tailor made training for each VDPC

2. Linkages with socio-ecosystem approach
   Eco system assessment, System thinking including livelihoods, Willingness to identify practical interventions to address the issue (mangrove)

3. Creation of vertical and horizontal linkages so as to ensure that national DRR plans are not virtual (institutionalization of CBDRM therefore sustainability)
   Township level support and linkages between administrations (horizontal), Harmonization of village plans within Township plans in coherence with national plans (vertical)

4. Linking soft and hard components to go beyond trainings
   Provision of assets through micro grants competitions (making sure that plans do not remain on paper, Focus on drills and practical aspects of preparedness and response plans
## ALIGNMENT WITH DRR WG STRATEGIC FRAMEWORK

</tbody>
</table>
GAPS AND SUPPORT EXPECTED FROM DRRWG

- **Gap 1:** Difficulty to link upward with State and Union level frameworks
  -> **Support from DRRWG to create linkages with State and Union levels and integrate within existing frameworks and DMTC**

- **Gap 2:** Limited experience in Myanmar regarding eco-system based DRR
  -> **Support from DRRWG to organize a national conference on eco-system based DRR and mangrove rehabilitation**

- **Gap 3:** Need for further harmonisation in approaches regarding capacity building of local authorities
  -> **Support from DRRWG to further work on harmonized approaches for support to TDPCs**

- **Gap 4:** Importance of sharing ACTED’s work on ecosystem based DRR and learning from others
  -> **Organization with DRRWG of a national conference on ecosystem based DRR with a focus on mangrove rehabilitation**
GENERAL INFORMATION ON THE ORGANIZATION’S DRR PRIORITIES

- Organization’s DRR objectives and/or priority areas for 2014-2015
  - MRCS Strategic Goal 1: Reduce death, illness, injuries and impact from disaster, conflict and other situation of violence, emerging and re-emerging diseases and public health emergencies
    - Of ten strategies, six are directly related to DRR
- Organization’s secured budget for DRR for 2014-2015 and funding sources
  - To be confirmed
What are the activities and the schedule for implementation?

- Community Based Disaster Risk Management
- School Based Disaster Risk Reduction
- Urban Disaster Risk Reduction
- Early Warning Early Action Strengthening
- Enhancing response preparedness at all Red Cross branch levels
- CBDRM facilitators trainings and multiplier/UDRR facilitator training
- Training of school teachers, staff, students
- Awareness raising activities in communities and schools
- Working with DMH on early warning early action system strengthening
- Strengthening linkage between national and community level early warning dissemination system
- Vulnerability and Capacity Assessment (VCA) and action plans in communities and schools
- Strengthening of village disaster management committees (VDMCs) and school disaster safety committees
- Distribution of disaster response kits
- Mitigation activities
- Strengthening of National Disaster Response Team, Emergency Response Teams and volunteer teams
- Township Red Cross capacity building
PARTNERS

- **Who are your partners and what is their role?**
  - Norwegian Red Cross Society
  - Hong Kong Red Cross Society
  - IFRC
  - American Red Cross
  - French Red Cross

- **What are the target areas and beneficiaries?**
  - Rakhine State (2 townships)
  - Ayeyarwaddy region (2 townships)
  - Yangon region (3 townships)
  - Mandalay region (1 township)
  - Shan east State (1 township)
Which of the activities are aligned with the DRR WG Strategic Framework?
- Outcomes 1, 3, 5 and 6
- Outcome 4 – MRCS a local organization

What type of support are you expecting from the DRR WG and for which activities?
- Coordination platform that increases effectiveness of our work
- Foster cross learning
- MRCS contribution as a link between DRR and response interventions
Organization’s DRR priority areas for 2014-2015

1) Community-based Disaster Risk Reduction
2) Community Climate-Change Adaptation
3) Disability-Inclusive DRR

Overall Approach

4) Conflict Sensitivity
5) Local Partnership (including governments)

510,000 Euros (Committed)
What are the activities and the schedule for implementation?

**BMZ Climate Change Adaptation Project in Rakhine**

**SCIENCE**
- Coastal Resilience Study in Rakhine (DIPECHO) to continue with the CCA
- Vulnerability Analysis
- Climate-based Epidemic Early Warning Study
- CCA Curriculum Development

**PRACTICE**
- Mangrove Reforestation
- Stove-making Training
- Aqua-culture Training
- CCA Training
- Livelihood inputs
What are the activities and the schedule for implementation?

- **GiZ Local Flood/Landslide Early Warning Systems**

**SCIENCE**
- Study on Mapping on EWS Stakeholders and Initiatives
- (PENDING) Study Visit in the Philippines on LFEWS
- (PLANNED) – Support MAPDRR Component 3 Monitoring and Evaluation

**PRACTICE**
- Pilot 10 villages in Kayin
What are the activities and the schedule for implementation?

- **ADH Disability Inclusive DRR (DiDRR)**

**SCIENCE**
- Study visit in Vietnam as part of DIDRRN
- (PENDING) Study Visit in the Philippines on LFEWS
- (PLANNED) – Support MAPDRR Component 3 Monitoring and Evaluation

**PRACTICE**
- Pilot 10 villages in Kayin
Who are your partners and what is their role?
- Myanmar Independent Living Initiative (MILI)
- Myanmar Environment Reforestation and Conservation Network (MERN)

What are the target areas and beneficiaries?
- 48 villages in Sittwe, Pauktaw, Myebon, Rathedaung in Rakhine State
- 10 villages in Hpa-an, Kayin States
- DPOs, Villagers, government authorities
Which of the activities are aligned with the DRR WG Strategic Framework?

- All activities
- To strengthen the operationalization of a DRR framework that is inclusive, responsive to the needs of the hazard-prone communities and takes into account climate change.
- To support the mainstreaming of DRR into development processes as a way to ensure that livelihood and essential infrastructures are protected in the face of disasters.
- To become a Government-led model of DRR coordination, championing DRR learning and innovation.

What type of support are you expecting from the DRR WG and for which activities?

- Technical Inputs
- Government Support
- Endorsement
ACTIONAID MYANMAR
DRR PLANS FOR 2014-2015
GENERAL INFORMATION ON THE ORGANIZATION’S DRR PRIORITIES

- DRR objectives and/or priority areas for 2014-2015
- Priority (1) of AAM Country Strategic Program 2012 – 2017
- Objective: To promote sustainable income through improved access to and control over natural resource and capital, alternative livelihood practices, and build community resilience to withstand disasters.
- Building Community Resilience through promoting alternative livelihood, food security and sustainable income to withstand disasters.
Organization’s secured budget for DRR for 2014-2015 and funding sources

1) Aid-Match (DFID) - £- 2.8 lakhs (2013 – 2015)
2) BRACED (DFID) – £- 8.3 Lakhs (2014-2016)
For each DRR objective/priority area of work of your organization for 2014-2015, provide the following details:

- What are the activities and the schedule for implementation?
- Participatory Policy, budget, practices review and analysis related to community resilience by women group and CSOs.

Integration of DRR and Livelihood for building Community Resilience

- Women led DRR, establishment of Township level Women forum among govt, CSOs and women org/group in Delta.
- Developing replicable resilience building models (good practice 'alternatives*') in relation to food security and sustainable livelihoods

School Based DRR,
For each DRR objective/priority area of work of your organization for 2014-2015, provide the following details:

- What are the activities and the schedule for implementation?
- PVA, Participatory Vulnerability Analysis and Action Planning
- Small scale mitigation support in target villages
- Documentation and publication IECs, video, photo and written case studies on alternative livelihood, women leadership in DRR and their contribution to govt behavior and policy influencing process AND PwD experience of managing Disaster
- VDMC strengthening
- Emergency and DRR Kit support to VDMC,
- Simulation Exercise
For each DRR objective/priority area of work of your organization for 2014-2015, provide the following details:

- What are the activities and the schedule for implementation?

**Training:**
- Capacity building of Govt, INGOs, NGO on working with PwD
- Sustainability livelihood and food security
- Women leadership (Lead on women’s leadership methodologies, resilient development planning and implementation of the consortium’s resilience framework in 3 townships)
- Inclusive CBDRR and CCA
- Human Right Based Approach
- VDMC Taskforce Training on First Aid, EWS, S&R.
For each DRR objective/priority area of work of your organization for 2014-2015, provide the following details:

**Training:**
- Capacity building of Govt, INGOs, NGO on working with PwD in DRR,
- Sustainability livelihood and food security
- Women leadership
- DRR and CCA
- Human Right Based Approach
- VDMC Taskforce Training on First Aid, EWS, S&R.

Who are your partners and what is their role?
- Related Govt departments (Collaboration and Coordination)
- DRRWG (Collaboration and Coordination)
- FSWG (Collaboration and Coordination)
- MWA (Implementing Partner) (Collaboration and Coordination)
- MRCs, Fire brigade, (Collaboration and Coordination)
- Local NGOs; PMA, ASA, (Implementing Partner)
- SPPRG (Technical Partner on PwD and Policy)
What are the target areas and beneficiaries?
Pathein, Pyapone, Laputta, Bogale, Hpa-An and Meikhtila

Which of the activities are aligned with the DRR WG Strategic Framework?
Contribute to Outcomes 1 – 4 of DRRWG SFW,
1) Inclusiveness CBDRR
2) Mainstreaming DRR into Livelihood, small scale mitigation
3) Community Resilience Building
4) Local Capacity Building

What type of support are you expecting from the DRR WG and for which activities?
Support in Participatory Policy, Budget, Practices review and analysis related to community resilience.
Support from DRRWG and close coordination.
SEEDS ASIA
DRR PLANS FOR 2014-2015
GENERAL INFORMATION ON THE ORGANIZATION’S DRR PRIORITIES

- Organization’s DRR objectives and/or priority areas for 2014-2015

  (a) Objective (Project 2014-2015)

  To enhance capacity (awareness, knowledge and skill) of schools on DRR by making collaboration systems between school and community for sustainable activity on DRR as model case

  (b) Priority area of work

  - 1) DRR education/awareness as ESD (Education for Sustainable Development which includes natural hazards, industrial disasters, climate change issues).
  - 2) School with Community Based DRR.
  - 3) Engaging private sectors (BCP)

- Organization’s secured budget for DRR for 2014-2015 and funding sources

  Budget: 104,000USD (direct implementation cost only)
  Funding source: mainly from JICA, some private companies
Output 1:
Basic knowledge and know-how on practical activity on DRR will be spread and captured by the targeted teachers, students, and community.

Activities:
1-1 Visiting schools (Mainly Basic Education High Schools) in the target places by Mobile Knowledge Resource Center (MKRC) or Water Knowledge Resource Center (WKRC) to conduct DRR training (ToT) including basic DRR knowledge and practical DRR activities such as evacuation map making and evacuation drills to teachers and resource persons from community.
1-2 The ToT participants will conduct DRR training to students and other community members.
1-3 Select and appoint a “DRR education teacher in charge” who will be responsible for the management of the DRR tools and education program at each school after MKRC or WKRC’s visit.

Conduct DRR trainings in the target areas by Mobile Knowledge Resource Center (MKRC) and Water Knowledge Resource Center (WKRC)
Detail of the project of SEEDS (2014-2015)

Activities and Expected outputs

Output 2:
Human resource, tools, and place will be well equipped and prepared to implement DRR activity centre with the collaboration among school and community.

Activities:
2-1 Develop portable and practical “DRR learning Kits” with its guide book.
2-2 Appoint DRR leaders who will lead the activities organized by DRR Activity Centers from teachers, PTA, and Ward-General Administration Dept (W-GAD) with agreement of participants.
2-3 Select DRR activity centers to be used as hub-center for surrounded schools and communities throughout discussions, research and agreements with stakeholders.
2-4 Equip the target schools with “DRR Learning Kits” with its guidebooks.
2-5 Conduct a series of DRR training for nurturing DRR leaders to lead and conduct DRR training including utilizing the “DRR Learning Kits”.

-Establish DRR Activity Centers in Kungyangone, Bogale and Labutta Townships together with capacity building programmes for selected DRR leaders.

Output 2:
Human resource, tools, and place will be well equipped and prepared to implement DRR activity centre with the collaboration among school and community.
**Proposed Activities as Example**

**Notice • Display • Reading corner**
- DRR Kit (Miniature model that can be portable for understanding possible disaster)
- Posters for learning to deal with the DRR awareness and mechanism of Disasters
- IEC materials for learning the mechanism of disasters and the effects of mitigation and DRR (DRR Kit)
- DRR related books, DRR Guide Books
- Books, documents and other videos for learning about stating the history of disasters in local and world.

**Practice of DRR activities in schools and community (Draft)**
- Draft plan for DRR activities
- Ordinary meeting. Formation of DRR Task forces
- Record weather condition and installation of ventilated case for meteorological instruments, Drawing up Hazards map
- Implementation of evacuation drills and evacuation plan for emergency
- First aid training. Fire fighting training
- Evacuation drills in schools and community
- Follow-up visit of activity 1 (MKRC & WKRC), monitoring.

*Training menu will be in line with “Disaster Management Course”, too.*
Output 3:
Community based education and activity for DRR will be sustainably implemented.

Activities:
3-1. Make action plans of DRR Activity Centers with teachers and community.
3-2. Support and conduct the training of DRR activities based on the action plan made by DRR Activity Centers.
3-3. Conduct follow-up visits in order to share the good practice and lessons learnt from the activity of DRR Activity Centers and each school.

- Provide DRR learning tool kits to District RRD and TEO offices and schools (BEHS) in target areas with MKRC & WKRC trainings, (through networking)
Design of DRR Learning Tool Kits

Suite case size of MKRC tool kits for schools and TEO
Design of DRR Learning Tool Kits

MKRC
Landslide Model
Slide Show of “Inamura-No-Hi” Story
Shaking Table Model
Safer Timber House Model
Swing Test Model
Safer Masonry House Model

DRR Working Group
Myanmar
Output 4:
Awareness on the needs and importance of DRR activities will be raised among the government officials.

Activities:
4-1. Equip the RRD in Nay Pyi Taw, District offices and TEO offices in the target area with DRR education materials including “DRR Learning Kits”.
4-2 Share the activities of DRR activity centers and conduct the DRR training to the staff in the RRD offices and township education offices
4-3. Conduct workshops to share the outcome and lessons learnt from the whole project in National level.
4-4. Compile the lessons learnt from the project and make publications to disseminate widely.

Conduct training workshops to to share the progress among stakeholders (mainly government officials)
Involvement with private sector

- Disaster Risk Seminar to private sectors

Receiving donations

Note: The table provides a detailed schedule of activities for the SEEDS project, including outputs, activities, and specific dates for each phase. The schedule is organized in a timeline format, with columns for FY 2013, FY 2014, and FY 2015, and includes input details at the end of the schedule.
Partner Organization of SEEDS: MES, RRD, MOE, JICA

1. JPF (Aug-Nov 2009)
2. CWS (Sep-Nov 2008)
3. CWS (Dec 2009-May 2010)
4. JPF (July-Dec 2010)
5. ISDR-HABITAT (Aug-Nov 2010)
6. CWS (Dec 2010-June 2012)
7. MOFA I & II (March 2011-Feb 2013)
8. MEXT I & II (April 2012-Sep 2013)

Cyclone Nargis
May 2008

U Than Myint sent email to Dr. Rajib

FELISSIMO

YAMASA
1. Severely affected by Cyclone Nargis
   - The process of “Recovery - DRR - Development”
2. Multi hazard risk
3. Synergy effect with our previous visits by MKRC&WKRC and other JICA projects (SCS, EW, Waju(ring dyke), Mangrove etc...)

Details of the project of SEEDS (2014-2015)

- **Ayeyarwady Region**
  1. Affected by Cyclone Nargis
  2. Multi hazard risk (incl. EQ)
  3. Synergy effect with our previous visits by MKRC&WKRC and other JICA projects (SCS, EW, Waju(ring dyke), Mangrove etc...)

- **Yangon Region**
  1. Affected by Cyclone Nargis
  2. Multi hazard risk (incl. EQ)
  3. Easy access and strong link in Kungyangon T/S of MES
3) Target Beneficiaries

- Teachers and students
- Communities (PTA)
- Staff from Township Education office
- Staff from Relief and Resettlement Department (RRD).

SWANYEE DEVELOPMENT FOUNDATION
DRR PLANS FOR 2014-2015
Overall objective;
Contribute to strengthen community-based disaster risk reduction in coastal areas prone to natural disasters and strengthening the DRR capacities of communities and children as “agents of change” in Myanmar.
Our organization working sectors are;

- DRR (106-villages in 3 townships)
- Livelihood & environmental (68-villages in 3 townships)
- Microfinance (10-villages in 1 township)
- Community Forest (5-villages in 1 township)
- Livelihood (28-villages in 1 township)

Nearly 50% of implementing villages in our organization is in DRR activities.
GENERAL INFORMATION ON THE ORGANIZATION’S DRR PRIORITIES

Percentage of Swanyee’s Current Implementing Sector

- DRR: 49%
- Livelihood and Environmental: 31%
- Community Forest: 13%
- Microfinance: 5%
- Livelihood: 2%

[Diagram showing the percentage distribution of implementing sectors]
Priority areas of work for 2014-2015 are:

- Community-based & School based Disaster Risk Management
- CCDRR
- Building DRR knowledge and awareness
- Preparedness for Emergency Response
Activities for 2014-15

- KAP Survey (Baseline)
- ToT training on Community Based and Child centred DRR to committee members, teachers and children
- Multiplier trainings on community based and child focused DRR
- Develop Community Based DRR Action Plan with risk and vulnerability analysis
- Emergency equipment support to committees
- Awareness raising to students (including risk land game distribution to schools) and DRR drill
DETAILLED ACTIVITIES

- Orientation Training to SDMC members and School Safety Plan set up
- School DRR kit & emergency kit distribution
- CBDRR tool kit printing & distribution
- IEC material reviewing, printing and distribution
- Awareness raising events at IDDR Day and Universal Children Day
- First Aid and Search & Rescue Training for committee members
Our partners are Plan International Myanmar and ACTED. Planned to work with DRC in 2014 for 5-villages in Taungup.

For Taungup and Kyauk Phyu townships;
- Direct target beneficiaries are 22,915 people (19,995 pupils and 2,920 community members) in 70-villages.
- Indirect target beneficiaries are 43,550 community members for German federal Ministry for Economic Cooperation and Development (BMZ) project.

For Gwa township;
- Direct & Indirect beneficiaries are 22,000 persons for OFDA project.

Ye Htun Naung
Project Manager (CCDRR)
Swanyee Development Foundation (National NGO)
UN-HABITAT
DRR PLANS FOR 2014-2015
GENERAL INFORMATION ON THE ORGANIZATION’S DRR PRIORITIES

- Organization’s DRR objectives and/or priority areas for 2014-2015
  - Mainstreaming DRR and CCA into Sectoral Development
  - Urban Resilience
  - Capacity Building and Human Resource Development on DRR
  - Disaster Preparedness Plans
  - Risk Assessment / Information and its application
  - Advocacy and awareness
GENERAL INFORMATION ON THE ORGANIZATION’S DRR PRIORITIES

- Organization’s secured budget for DRR for 2014-2015 and funding sources

**Ongoing**
- Ministry of Foreign Affairs – Norway (200,000 USD till March 2014+ Potential next funding from April 2014+)
- USAID/OFDA 660,000 USD (till Sep 2014 but will be extented)

**Pipeline (hard)**
- DFID- BRACED : 67,246.50 GBP (Project Development Phase) /
  (Consortium led by Plan International, ActionAid, BBC Media Action, World Vision, Myanmar Environmental Institute and UN-Habitat)- Potential for scaling up after the PDP
- DIPECHO – MCCR (Consortium led by AA, Plan, Oxfam, ACF, Helpage, UN-H) (under review)
- Myanmar Climate Change Alliance (MOECAF, UN-H, UNEP, EU) (under finalization)
