Myanmar Information Management Unit

This map has been prepared for informational purposes only to support humanitarian and development activities in Myanmar. It does not represent an official point of view. It represents only the approximate relative location of villages and locations. There is no intended use in other countries or regions.

The Myanmar Information Management Unit (MIMU) is a service of the Office of the UN Resident and Humanitarian Coordinator to support the information management needs and data sharing-making of the humanitarian agencies working in Myanmar. MIMU produces the map for free and the map is made available online for non-commercial use. Users are free to use, share, and adapt the map with attribution. Please see the Terms of Use and License for more information.

MIMU products are not for sale and can be used free of charge with attribution. For more information see https://mimu.org/terms/terms-conditions.
