## VACANCY ANNOUNCEMENT # 023-2025

2 May 2025

**Sun Community Health (“SCH”)** is a non-profit, non-political and non-sectarian organization. It is a local non-governmental organization in Myanmar and is established in particular to advance socially beneficial purposes in Myanmar by promoting and providing information, services and products related to the prevention, promotion, curation and rehabilitation of the major health services including but not limited to HIV/AIDS, malaria, tuberculosis, maternal and child health, reproductive health and non-communicable diseases with the aim of furthering good health, prosperity and the relief of poverty, distress and sickness. This also includes state-of-art training programs, quality assurance programs, and a robust supply chain and logistics system and health financing mechanisms. The Organization may also provide non-health related ancillary services that ensure and improve the well-being of its clientele.

SCH is practicing the right to freedom from all forms of sexual violence, injustice, discrimination and abuse (including child and adult at-risk abuse). We recognize the responsibility we have to guarantee on that we do not deliberately or inadvertently cause any harms to right holders and communities through our work – whether that is our staff and representatives of our contractor (internal and external stakeholders). SCH will not tolerate any form of discrimination, abuse, exploitation, harassment under any circumstances and will take strong disciplinary action. Protection from Sexual Exploitation and Abuse (PSEA) is everyone’s responsibility and all staff are required to adhere to the Code of Conduct, that enshrines principles of PSEA, at all times (both during work hours and outside work hours). Familiarization with, and adherence to, the Code of Conduct is an essential requirement of all staff, in addition to related mandatory training. All staff must ensure that they understand and act in accordance with this clause.

<b>Job Title</b>	<b>: Mobile Medical Assistant</b>
<b>Report to</b>	<b>: Team Leader</b>
<b>Require Position</b>	<b>: “1”</b>
<b>Contract Type</b>	<b>: Service Agreement</b>
<b>Duration</b>	<b>: 3 months and extendable</b>
<b>Assign Area</b>	<b>: Yangon based travel to Bago Region</b>

### **JOB SUMMARY:**

The Mobile Medical Assistant is intended to support the delivery of essential health services in mobile and outreach settings by assisting in patient care, implementing infection prevention measures, managing medical logistics, and contributing to health education and psychosocial support. The role ensures operational readiness and quality of care in often resource-limited or emergency contexts, aligning with SCH’s humanitarian and community-based health response.

The contract type is Service Agreement and the duration is 3 months and extendable.

### **KEY RESPONSIBILITIES:**

The key responsibilities of **Mobile Medical Assistant** include:

- Assist the doctor in patient care, including vital signs monitoring, medication administration, and wound care.
- Support implementation of IPC practices, especially in high-risk or crowded field/camp settings.
- Prepare and manage medical supplies and ensure readiness of mobile equipment.

#### **“ငန” လူထုကျန်းမာရေး:**

- Participate in health education sessions by delivering messages on hygiene, nutrition, or chronic care.
- Assist in the sorting and distribution of non-food items (NFIs), hygiene kits, or medical aid to patients.
- Collect and document patient data accurately for monitoring and evaluation.
- Provide basic mental health and psychosocial support or first aid as necessary.

#### **QUALIFICATIONS AND EXPERIENCE**

- Diploma or certificate in nursing, community health, or a related healthcare discipline is a preferred, but not a “must”.
- At least 1–2 years of experience in a clinical or community health setting; prior experience in humanitarian work or mobile outreach is an advantage.
- Basic training in IPC, first aid, or psychosocial support is highly desirable.
- Familiarity with standard patient care protocols and basic medication administration.
- Willingness to work in field settings and under flexible or emergency schedules.

#### **CORE COMPETENCIES**

- Basic clinical skills, including vital signs monitoring, wound care, and medication administration.
- Knowledge of Infection Prevention and Control (IPC), especially for field-based or high-risk environments.
- Organizational skills for supply preparation, mobile clinic setup, and logistical readiness.
- Clear and empathetic communication for patient interaction and public health messaging.
- Data collection and documentation abilities to support monitoring and reporting needs.
- Basic mental health support and first aid skills for frontline humanitarian settings.
- Teamwork and adaptability, especially in mobile or emergency environments.

#### **APPLICATION:**

Interested applicant, please send Application Letter, Curriculum Vitae (with “Two” referees, including your last employment for reference check), copies of Qualification Documents and National ID as per following “APPLY LINK” and/or Apply Email not later than on the evening of **9 May 2025 (Friday)**.

**SCH Yangon Regional Office:** No. 3/1, Kant Kaw Myaing Street, Ward 8, Yankin Township, Yangon.
