Organization:

Humanity & Inclusion (HI - registered as the Federation Handicap International) is an independent and impartial aid organization working in situations of poverty and exclusion, conflict and disaster. HI works alongside persons with disabilities and people in need of support, taking action and bearing witness in order to respond to their essential needs, improve their living conditions and promote respect for their dignity and fundamental rights.

In emergency, HI's mandate widens to target the groups most in need within any population taking gender inequities into account – from isolated rural communities, to persons with disabilities, to excluded minority groups – to ensure their equal access to appropriate relief aid. HI works to meet the needs and defend the rights of children, women, and men with disabilities.

Since its creation in 1982, HI has gone on to work in around 60 countries worldwide. Our work has benefited several million people.

Humanity and Inclusion in Myanmar

In Myanmar the first operations date back to 2008, following cyclone Nargis. The emergency response program closed at the end of the response operations. In 2013, HI reinstalled an intervention program, and focused on activities in its core sectors of interventions: promoting inclusion and responding to the needs of persons with disabilities including landmine victims.

HI's intervention in Myanmar and Thailand is based on 5 strategic pillars:

- **Emergency Response** – Basic Needs and Inclusive Humanitarian Action
- **Armed Violence Reduction** – EORE, Contamination Impact surveys and Victim Assistance Efforts
- **Inclusive Health** – Rehab, MHPSS, Early Childhood Development and Access to Services
- **Inclusive Preparedness** – Disaster Risk Reduction and Logistics Analysis
- **Inclusive Opportunities** – Inclusive Education and Inclusive Livelihoods

In 2024, the HI Myanmar program will be integrated into the HI Southeast Asia program, gathering Thailand, Cambodia, Lao, Vietnam and the Philippines.
